Terms and Conditions

Time of Year Covered
Orders will be delivered from February to November, however this time span is flexible as it is dependent on weather conditions. Orders are accepted all year round.

Availability
Stocks are continually changing and we may sell out of some varieties. A list of substitutes/alternatives would help us when preparing an order. Items marked * in the catalogue will be ready later in the season. All orders are dealt with in order of receipt. An order will be sent when all plants to fulfil the order are ready.

Payment
Payment should accompany the order. Cheques should be made payable to Jennifer Matthews. As we may be unable to supply all the plants you order we would appreciate either a list of substitute plants or an upper limit cheque (see below) where the cheque may be drawn for any sum up to the amount stated. This means we can cash the cheque for the exact amount. It you do neither we will issue a credit note.

Carriage
To ensure your plants are fresh they will be sent by 24 hour carrier and a signature will be required on receipt. Please complete the delivery address at the top of the form if you are unable to receive the parcel (for example the address of a neighbour or your place of work). Please also complete the telephone number where the carrier can contact you in the event of difficulties if you are not at home.

Carriage and Packing Costs
The charge for the first 10 plants (England and Wales only) is £12.50 and each individual plant thereafter is 60p. If you live in Scotland or Islands please ring for a quote. Large orders have a special palette rate holding between 120 and 220 plants depending on size and time of year. Carriage and packing is charged at cost. There is no charge for the time taken to pack the order. As the plants are large, the additional weight makes them more expensive to send than the small plugs and pots that are supplied by many of our competitors. Our plants represent good value as they are large plants and even taking into account the carriage they still cost significantly less than garden centres.

Minimum Order
The minimum plant order is £30.00 with is a minimum carriage charge of £12.50.
